Steven,

I received your disclosure and saw that you identified Sarah [REDACTED] full name.

I have previously identified her case as a related case. In that related case, the Michigan judge granted the pseudonym motion and ordered that no one would disclose her last name. Something similar just happened in Michigan and your counter-part in Michigan had to file a redacted version hiding her name from the public docket.

Would you please file a redacted version and have the current version removed to hide Sarah's last name?

Thank you,

Lisa D. Haba
